

BUBBLE LETTER

Let's write a letter from
the BUBBLE to YOU!

What are things that
you might be scared of?
What would the BUBBLE
say to you in a letter about
these items?

Tips:

Before you begin write
down a list of things that
you want to do but are afraid.

Re-read the letter from Squeek's
BUBBLE.

What would BUBBLE
tell you about your fears?

Draw a portrait of
what you'd do outside
your BUBBLE on the back.

Cut the letter out,
fold and place in
homemade envelope.

Mail at the post office
to yourself.

When it arrives, see if
you have done any of the things
in the letter.
